Structural System	Masonry - Precast Concrete

Surveyor Opinion

Property appears to meet criteria for the National Register of Historic Places: Yes

Property is located in a potential historic district (National and/or local): Yes

Property potentially contributes to a historic district (National and/or local): Yes

Significance narrative: Property was constructed as part of East Campus development post 1960. As a theme for the Capitol Campus (particularly historical West Campus) and its adjacency to Capitol Court (1930 Thurston County Courthouse), it potentially contributes to a historical district.

Physical description: This structure is mostly below ground, with exposed walls on East (primary entrance) and North (mechanical structures).
