

## 1972- IF YOU WERE THERE...

1. What motivated local city leaders to form the "Committee for the 60's?" What benefits came out of the effort?
2. You are in charge of a meeting of local merchants who are trying to develop a plan for downtown in light of recent plans for a second shopping mall. What will you suggest?
3. Describe the biggest snowfall you can remember. What did you do?
4. What can citizens learn from the incident of the Sylvester House fire?
5. Before the Capitol Lake swimming area, many residents swam under the I-5 bridge in Tumwater. Now there is a bathhouse, restrooms and docks with lifeguards near downtown Olympia. As a swimmer, how do you feel about this? As a merchant, how does this affect you?
6. Describe downtown Olympia in 1972 if Interstate 5 hadn't been built.
7. How does the addition of a new college change a city?
8. What changes have been occurring on the port fill since some of the major plywood plants closed down? Are they positive or negative?
9. You are a founding member of POSSCA (Patrons of South Sound Cultural Activities) how will you go about building an appreciation of music, art and theater in the South Sound region?
10. You have been asked to create a new event that will become an Olympia tradition. What, when and where will it be?
11. Imagine you are a Squaxin tribal leader like Joyce Cheeka or a Nisqually tribal leader like Billy Frank Jr. How would you keep your Native American traditions alive?
12. Compare recent architecture with some of the older buildings in town.
13. Compare the Nisqually Delta controversy with the Sylvester Park controversy from the last scene.
